

WRT CSI SCORECARDS 2023 OVERVIEW PAR RIVER CATCHMENT

The Par River group of volunteers monitors the Upper and Lower Par Rivers, the Bokiddick Stream, the Treesmill Stream and the Polmear Stream.

To see all the rivers covered by WRT volunteer citizen scientists, go to:

<https://wrt.maps.arcgis.com/apps/mapviewer/index.html?webmap=d9cf759fee804193a397540b87262e7c> . Click on an area for more details, including the report card for 2023.

To find out more, click on a catchment. Scroll down to find a PDF showing the scorecard:
